# University of Minnesota
## Carlson School of Management
## Department of Information & Decision Sciences

### Faculty Position —  Assistant or Associate Professor, Depending on Qualifications
### Number of Positions:  One

The Department of Information Systems & Decision Sciences in the Carlson School of Management at the University of Minnesota is seeking candidates for one full-time, tenure-track Assistant Professor OR one tenured/tenure track Associate Professor position starting Fall 2014.  Applicants must have a strong research program and an earned doctorate in information systems or a related field with IS competence or assurance of receiving the doctorate before August 25, 2014.  Responsibilities include carrying out the teaching, research, and service mission of the department.

Applications must be received online at **http://employment.umn.edu**  (reference requisition number 186296 for a tenure-track position or 187162 for a tenured position). The requisition provides complete details of the position.  In addition, submit a cover letter to **MISpost@umn.edu** and include the following attachments:  curriculum vitae; list of courses taught and course evaluations; statement of research and teaching interests; short dissertation summary; document listing reference names and e-mail addresses; best three published or working papers.  Three letters of recommendation are required.

For more information, download a pdf copy of the full position description and application instructions:
**http://www.misq.org/skin/frontend/default/misq/pdf/FacultyPositions/CSOM_UMN_Ad.pdf**

To ensure consideration applications must be received by December 20, 2013, but applications will continue to be accepted until the positions are filled.

The University of Minnesota is an equal opportunity educator and employer.

## Save the Date: SIM Academic Workshop

The Society for Information Management (SIM), an association of more than 4,000 senior IT executives, prominent academicians, selected consultants and other IT thought leaders, invites you to the Pre-ICIS SIM Academic Workshop. The 2013 SIM Academic Workshop takes place prior to:

**The 2013 International Conference on Information Systems (ICIS 2013)**
*December 15-18, 2013 | Università Bocconi | Milan, Italy*

To register for the workshop, visit **icis2013.aisnet.org**, click *Conference Registration*, then choose *Click Here To Register for Ancillary Only Workshops.*

## 2014 SIM Paper Awards Competition

Each year, the Society for Information Management recognizes innovative business initiatives that use IT to drive measurable results.

If you have researched an important and successful IT-related business initiative, the SIM 2014 Paper Competition Committee invites you to submit an abstract describing this initiative. The work described must be implemented and it must have had a significant impact on the organization involved. Winning papers will be a collaboration between academics and practitioners. Since SIM's focus is toward executive management, the work should describe an initiative of interest to senior IS executives.

For details, visit **www.simnet.org/PaperCompetition**.

**For more information on SIM, visit www.simnet.org.**
