

MISQ Virtual Author Development Workshop

MIS Quarterly will hold a virtual author development workshop on August 15, 2020.

The workshop is designed to provide authors with (1) feedback from MISQ Senior Editors and Associate Editors on potential submissions to MISQ and (2) the opportunity to discuss with editors and other authors how to develop papers for submission and resubmission to MISQ.

The workshop has been offered in a face-to-face format alongside major IS conferences. This year with the disruptions to face-to-face conferences caused by the pandemic, MISQ will offer the workshop in a virtual format.

2. August 15, 2020 8:00 AM – 12:00 PM CEST / 2:00 - 6:00 PM Beijing/Hong Kong time (this timeframe is likely to work for AIS Regions 2 & 3)

Each of the workshop time slots has a limited capacity of 30 authors.

The workshop will include

1. Roundtable discussion led by editors on authors' submissions to the workshop.
2. Editors' panel discussion on developing papers for initial submission to MISQ.
