A pre-ICIS 2013 (Milan) workshop on ICT and Societal Changes will be held on December 14, 2013, from 12:00 noon to 5:00 p.m. at Bocconi University. This non-mandatory workshop will be an opportunity for all interested colleagues, regardless of their intentions to submit to the *MISQ* Special Issue, to discuss ideas for social, behavioral, and economic research on ICT's role in societal challenges and the implications for IS design science.

People interested in participating in the pre-ICIS 2013 workshop should submit a short (two-page maximum) position statement or an abstract describing your research interests to M. Lynne Markus (mlmarkus@bentley.edu) by November 25, 2013.
