We would like to extend our sincere appreciation to the reviewers and the senior and associate editors who do the bulk of the work to make *MIS Quarterly* possible. A list of these individuals is available on our website (<https://www.misq.org>).

Assistant Professor of Information Systems: Tenure Track Boston College

Boston College is recruiting one or more tenure track positions at the Assistant Professor level in Information Systems beginning August 2019. We are seeking candidates that have a Ph.D. in Information Systems or a related discipline, a demonstrated ability to conduct "A" journal quality research, and a dedication to teaching excellence. Faculty are sought to contribute to a successful and expanding Information Systems department.

The University: Boston College is a private Jesuit Catholic university with an enrollment of 9,400 full-time undergraduate students representing all 50 states and 95 countries. The graduate and professional student population numbers 4,600 students. Boston College offers competitive salaries and benefits, a collegial environment, outstanding students, and an energetic faculty. Please submit application in electronic form at <https://apply.interfolio.com/52654>. Questions can be directed by email to the IS recruiting coordinator at ISRecruiting1@bc.edu.

Boston College strives to integrate research excellence with a foundational commitment to formative liberal arts education. We encourage applications from candidates who are committed to fostering a diverse and inclusive academic community. Boston College is an Affirmative Action/Equal Opportunity Employer and does not discriminate on the basis of any legally protected category including disability and protected veteran status. To learn more about how BC supports diversity and inclusion throughout the university, please visit the Office for Institutional Diversity at <http://www.bc.edu/offices/diversity>.
