WHERE  
IT  
LEADERS  
CONNECT

**The Society for Information Management (SIM) is the world's premier organization for IT leaders.**

---

Since 1968, SIM has inspired the minds of the most prestigious IT leaders in the industry — including CIOs, senior IT executives, prominent academicians, consultants, and other IT leaders.

Today, SIM is comprised of more than 5,000 members who come together to share, network and give back to their communities through the collaboration of SIM's local chapters.
